

Image shows a 2 drawer Richmond adjustable set finished in multitone wheat

Here at Kelcol we offer a range of adjustable beds which recline with a touch of a button to help aid our customers with mobility issues.

Richmond Adjustable Set

The Richmond Adjustable Set is an entry level 5 fold action frame which allows a full range of movement.

Since the model's introduction it has proven to be extremely reliable and shares many of the extra features as other models in the range.

- *Complete with 3 mattress choices: (IC57, R400 or Top Quality Pocket Recliner)*
- *Jade Headboard*
- *1 or 2 drawers*

Stirling Adjustable Bed

The Stirling Adjustable Bed is the cornerstone of our product range. Available in a wide range of sizes, this bed has been our best seller for many years. An ideal place to start your range of electric beds.

- *5 fold action frame*
- *Back-up motor*
- *Deep base or leg options*
- *Available with 7 mattress choices*
- *Wide range of sizes*
- *Drawers available on request*
- *25 stone limit*
